

Mrs. Renee Bufalini

Federal Programs Coordinator

As a Title I School Wide District, the LEA's Federal Programs Coordinator is responsible for overseeing compliance with the No Child Left Behind Law and the management of funds governed by the EVERY STUDENT SUCCEEDS ACT (ESSA) specifically Title I, Title II, Title IV, Ready to Learn, and Safe Schools Grants. Moreover, the FPC provides technical assistance to all staff, parents and community members in regards to state and federal laws corresponding to these programs. The FPC also coordinates Title services and supplies for our students attending non-public schools.

Goals of the Federal Programs Coordinator:

1. To provide technical assistance, analysis and interpretation of ESSA as it relates to Title I to administrative offices, Principals and school based staff.
2. To submit applications to the Pennsylvania Department of Education (PDE) & Pennsylvania Commission on Crime & Delinquency (PCCD) for all grants related to Title I, II, IV including Ready to Learn and Safe Schools Grants.
3. To provide support and technical assistance to schools related to expenditures of Title I, II, IV including Ready to Learn and Safe Schools Grants to help schools and students achieve at higher levels.
4. To provide support and technical assistance to schools as they complete the School Improvement Planning process.
5. To coordinate Title I, II, IV services/supplies for students that attend non-public or Diocesan schools.

Any questions about any of the documents on this link or concerns that you need to address, please contact your school administrators or me. Likewise, if you are interested in providing assistance to improve student achievement, please contact us.
