Re: *Spring Break, Thursday, April 14th through Tuesday, April 19th.*

Greetings Aliquippa Parents and Guardians,

The Aliquippa School District will be closed Thursday, April 14th, 2022 through Tuesday, April 19th, 2022 for Spring Break. We will resume classes Wednesday, April 20th 2022. Please make child care arrangements accordingly.

We encourage families to attend The Aliquippa Wellness Fair which will take place at the Aliquippa Junior Senior High School on April 9th from 10am-2pm. This is a free event to the public.

The festival will feature over 40 exhibitors that will provide information about available clinical services. There will also be food and garden demonstrations, physical activities, and educational speakers. The Darrelle Revis Foundation is also hosting a Fun Fest for all ages, including cardio stations, lawn games, agility challenges, raffle prizes, and more.

Lastly, Third Quarter Report Cards are available for your review using your Parent Powerschool Account. Hard copies will not be mailed. Contact your child's guidance counselor if you wish to have a hard copy printed.

Have a Safe and Restful Spring Break,

Yours in Education,

Dr. Phillip K. Woods
